

## GUARANTEE

Aston Architectural Aluminium Limited is proud to offer the following guarantees on its products:

### **System**

Aluminium systems are guaranteed for 50 years covering any failure in the extrusions or systems, excluding gaskets.

Hardware and accessories are guaranteed for 12 months, excluding 'wear and tear'.

### **Paint**

Powder-coating finish is guaranteed for 20 years, subject to appropriate cleaning methods as per the Aston Architectural Aluminium document: GUA002 Powder-coating cleaning.

### **Glass**

Standard double-glazed panels are guaranteed for 5 years.

### **Maintenance**

All the above are conditional on the product having been correctly installed and maintained in line with relevant regulations and industry best practice. Maintenance work should be logged and retained.
